Ivannikov ISP RAS Open Conference

Dear colleagues! We invite you to take part in our Conference!

Ivannikov ISP RAS Open Conference is an annual event organized by the Institute for System Programming of the Russian Academy of Sciences (ISP RAS) to discuss fundamental achievements in computer science and to present new innovative technologies developed for practical use in industrial projects.

The Conference is organized with support of IEEE, IEEE Computer Society, Russian Academy of Sciences (RAS), Advanced Research Foundation (ARF), Federal Service for Technical and Export Control (FSTEC Russia) and commercial partners of ISP RAS (Samsung, Huawei, Dell, and others).

The main goal of the Conference is to support the innovation ecosystem, created in ISP RAS for successful development of information technologies and their use in education, science and industry.

Date and venue: 2-3 December 2021, Moscow, Leninskiy prospect, 32A, the Main building of RAS. The venue may be changed due to the epidemiological situation; the Conference may take place online.

Organizers: RAS, ISP RAS, ARF, IEEE, IEEE Computer Society.

The main sections:
- Program analysis, modeling and transformation technologies.
- Management of data and information systems.
- Open source software for continuum mechanics.
- Digital medicine.
- Program analysis in secure development lifecycle.

Important dates:
- Articles submission: till October 11th, 2021 (23:59, GMT+3).
- Notification of acceptance: till October 25th, 2021.
- Camera-ready copies: till October 30th, 2021.
